Superintendent Melanie Curtin  
89 Middle Street  
Weymouth, MA 02189

**March 27, 2025**

Dear Superintendent Curtin & Weymouth School Committee,

In memory of our son, Jack Murray, we are pleased to offer a donation of **\$106,388** to the Maria Weston Chapman Middle School. It is our hope that this contribution can help support the middle school's band program that benefits the students and enriches their educational experience.

For this donation, we request that the funds supplement middle school band activities and be designated for the following purpose(s) with an expenditure timeline through the end of the **2035/2036 school year**:

- Purchase and repairs of instruments for middle school band students
- Equipment for the middle school band program
- Band shirts for the middle school program participants
- Subsidise camps and other student activities of band participants
- Annual WHS scholarship(s) for former middle school band participants

We trust that the funds will be used in accordance with our wishes. Thank you for all the work that WPS does, and we are happy to support your continued success.

Warm regards,

Paul & Crystal Murray and family
