# Black Student Union - 2nd & 4th Mondays, Rm 122

## Ms. Montgomery & Mr. Terrell

In BSU we have been playing games such as name that tune and word games. At our last meeting we were discussing ideas for how to design a bulletin board around mental health in the black community for the month of February. We are also planning for a field trip in February to go to Seach elementary school.

# Career Tech Education

- Firefighter Kevin Ryan joined with WHS CTE Carpentry Teacher Brian Nash and his students to create innovative "Doll Houses."
- Designed to assist in training Firefighters on essential ventilation tactics and proper extinguishing techniques. The "Doll House" initiative is being used as a national model.

# Chess Club - Mondays, Music Lab 1 - Mr. Duff

Chess club has had a strong start this year being facilitated by Mr John Duff for the second year in a they meet weekly on Mondays in music lab one. We have had an average of ten players per week with a total enrollment of 19 on the roster. Students range in ability from absolute beginners learning the pieces and game play to professional level tournament players. Chess helps every student succeed by teaching life lessons and logical calculations for decision making. The chess club hopes to connect with other schools in the future to participate in a local tournament. Student representatives Jack Matthes and Abigail Sullivan are regular competitors.
